

Indigenous Climate Change Impacts Observation Network (ICCIÓN)

Call for Project Officer/Facilitator Part time contract: October 2020- March 2022

Project description: We are looking for a half time project officer/facilitator for the PoC-ERC funded project "Indigenous Climate Change Impacts Observation Network", a project aiming to bring IPLC's knowledge and perspectives to climate change policy fora. The position will be located at the Institute of Environmental Science and Technology of the Universitat Autònoma de Barcelona (<https://ictaweb.uab.cat/>), and the person hired will work in close collaboration with the LICCI team (<https://licci.eu/>).

Functions: The person hired will work in close collaboration with V. Reyes-García (the project PI) and with a computer scientist in coordinating and facilitating the co-design of a Citizen Science platform for the documentation of local knowledge on climate change impacts. Specific tasks include:

- (1) To coordinate, organize, and facilitate Dialogue workshops with representatives of Indigenous Peoples and local communities, collecting the feedback generated in these workshops be inputted in the Citizen Science platform
- (2) To prepare materials for research outreach, including 1) reports for participants; 2) visual material for the use of the platform; 3) policy briefs describing ICCION content and process; and 4) a peer-reviewed article for the scientific community.
- (3) To facilitate the creation of a network of Indigenous Peoples interested in local knowledge and climate change impacts.

Profile: Candidates should 1) be able to facilitate teamwork, 2) have good interpersonal skills, 3) have a good digital literacy (including knowledge of social networks, i.e., twitter, fb), and 4) master time management. Candidates should also be fluent in written and spoken English (fluency in other languages is a plus). Having a PhD degree in a field relevant for this research (i.e., anthropology, geography, sociology, or environmental sciences) and previous experience working with Indigenous Peoples is a plus.

Contract terms: The project officer/facilitator will be hired part time between October 2020 and March 2022 by ICTA-UAB. The annual gross salary is of 18.800€ (20.5 h/week), and includes social security (i.e., health and pension benefits).

To apply: Applicants should send a cover letter and an updated CV to victoria.reyes@uab.cat by July 15th, 2020 **and** enter the information at UAB portal (<https://convocatoriesupac.uab.cat>, opening 2020PILEUA84). The cover letter should include a personal statement explaining the applicant interest in the project and the name, position and e-mail contact of three potential referees. Candidates that do not fill the requirements will not be considered.

Shortlisted candidates will be interviewed during July 2020, and a final decision will be communicated by the end of the month. The selected fellow is expected to join the team by 1st October 2020.

This project is funded by a Proof of Concept Grant of the European Research Council (ERC-2019-PoC-899209)
